Social skills and competences

Team spirit acquired during university period, working in a civil engineering office in cooperation with a well organized team.

I am a good listener, ready to learn more, and if I can, I like to help people around me giving advice and assistance.

Organisational skills and competences

I like to be well organized so that each stage of the work I undertake I treat with great care and attention. I am very thorough and complete my work within time constraints.

Aspects that characterize me are punctuality, integrity and perseverance.

Technical skills and competences

I have a good understanding of projects in engineering area and I have the ability to verify the conformity on the building site.

I have an objective, analytic deductive and logical mind-set.

Computer skills and competences

I have used: AutoCAD, ArchiCAD, Microsoft Office (Word, Excel).

Artistic skills and competences

Photography at amateur level.

Other skills and competences

I pay attention to detail, and I think the little things deserve particular attention, as they determine the quality of the whole.

I am open-minded, I am always willing to learn more, and I respect constructive criticism.

I dislike superficiality. I am a responsible person. I am an altruist.

Driving licence

A, B.

Additional information

I am looking forward to acquire a position within your company, I will be happy to learn new things, to adapt myself quickly, to do my job to the best of my abilities and to grow in this field of work.

I want to be in a position where I can maximize my potential as a productive and active individual, giving quality performance at all times for the greater goal of the organization I aim to be part of.

Thank you for willing to give me the opportunity to prove to you my conscientiousness, my thoroughness and my involvement to fulfill my duties in a satisfactory manner.
